

RUSH TRUCK CENTERS DIY MAINTENANCE PLAN

Rush Truck Centers Do-It-Yourself Maintenance Plan is available for all makes and models of new and used trucks. Let our team of professionals help you build a customized maintenance plan.

TO GET STARTED:

- Select genuine OEM parts required for your self-maintenance plan.
- Choose a payment option with a frequency that best fits your needs – included in the financing of your truck or billed at a consistent monthly cost.
- Pick up your products at your preferred Rush Truck Centers location, or have them shipped directly to you.

Whether your truck was purchased from Rush Truck Centers or is part of your existing fleet, we'll customize a maintenance plan that's tailored to your exact needs and budget. Our goal is to help minimize unexpected breakdowns, simplify the repair process, and assist you in managing ongoing expenses.

With more than 150 locations nationwide, Rush Truck Centers are strategically located in high-traffic areas on or near major highways so we can service customers virtually anywhere they operate.
